PROFILE

I am an IT graduate with a passion for video games, technology and problem-solving. With experience in customer service, registry, and front-end development, I enjoy learning new skills and applying them to real-world projects. My goal is to grow in the tech industry, particularly in quality assurance, where I can contribute to creating impactful solutions.

WORK EXPERIENCE

GOVERNMENT EMPLOYEE   JULY 2024 - JAN 2025
Administrative Aide 1

- Assisted fellow colleagues with registering civil-related documents such as birth, marriage and death certificates.
- Accompanied clients and solved their problems relating to legal matters namely changing of first name, correction of details in civil-related documents, and legitimation processes.

EDUCATION

Bachelor of Science in Information Technology   2019 - 2024
Laguna State Polytechnic University – Santa Cruz

PROJECTS

FLIGHT BOOKING TRAINING SYSTEM FOR TOURISM AT LSPU (Capstone Project)   2023 - 2024

- Overview: Developed a web application to simulate flight booking to tourism students at LSPU Sta. Cruz Campus
- Technologies: HTML, CSS, JavaScript for the front-end, and PHP, MySQL for the back-end, using Hostinger as web host, and AirportDB as API
- Role: Documenter. Mainly focused on documenting rather than development but designed and developed some features, handled some debugging, and merging contributions from three team members.

CERTIFICATIONS

AMACC Microsoft Visual Basic and Adobe Photoshop Training Programme Certification   2013 - 2014
Guadualupe Nuevo, Makati City
